We are an independent league team that plays in the National Independent Baseball Association.

Our goal as a team is to give players an opportunity to play in a professional independent league in order to showcase their talents and potentially move up to higher levels of pro baseball. In professional baseball there aren't enough jobs for the number of deserving players.

The NIBA organization hopes to create more opportunities for players who weren't lucky enough to be chosen for jobs in other leagues giving them an opportunity to achieve their dream of playing professional baseball and keeping their dream alive of making it to the big leagues. One of our former players Jackson Hicks has already accomplished this dream by getting signed to the Minnesota Twins in the summer of 2021.

While we are proud of Jackson and his accomplishments we know with your help more players will be able to follow in his footsteps. Other notably NIBA players who advanced to higher levels are Emmaneul Brantley (Carolina Yankees), Alex Leija (High Point Bats) and Jahleel Sewer (Carolina Yankees).
